Dear Americans,

My name is Daniel Perez. I am 9 years old and I help my family with our farm. When I was 4 we didn’t have any land to grow food. There was no school or doctors either. That’s why my family fought against the dictator Somoza.

But now your government is trying to destroy all we are building. Everyone says the American people are good. They say if you knew what was happening you would stop the war. Please stop this war and give me and my country a chance to grow.

Your friend,

Daniel
